You and Bobby McGee

And here is where you put your heartbreak. Put it here nobody's gonna understand fuck them I love him bobby but he doesn't get life like you and me did he doesn't really get it he is hung up he doesn't know how to let it go and just know life I want you to be happy where you are you???? Where are you I love him he's my man now and I bet you love him just because he's good to me and he is. Please I won't sink funny sorry I know you and quit you don't have to be funny I guess people don't have to be funny
